01 / SUMMARY

[One sentence on what changes for the client]

[Two or three sentences: the situation, what we propose, and what it will be like when it is done. Write for the person who signs, not the person who reads every page.]

[Body text. Instrument Sans at 10.5 pt with a line height of 1.55. Keep paragraphs short and specific: real names, real systems, real numbers.]

02 / SCOPE

What we will deliver

Start: a first deployment

Cloudflare OS in your own account, connected to your sign-in and the systems that matter, with the first agents and apps your teams asked for.
